PAJARITO'S ADHESIVE TAPES

PERFECT MASKING - EFFICIENT AND PRECISE

Masking made easy with the high-quality adhesive tapes from Pajarito. Our range offers solutions for a wide variety of applications: from sensitive to rough surfaces, from light to strong adhesive strength. With our adhesive tapes optimally prepare every construction site and achieve precise results - without unnecessary effort.

YOUR ADVANTAGES AT A GLANCE

+ Adhesive tapes for every substrate and application
+ Time-saving solutions for fast work processes
+ Easy handling for an optimal end result

Thanks to our clearly organised product matrix quickly and reliably find the right adhesive tape for your project. All products have been care and on the basis of extensive test results developed to offer you the best application safety.

MANY DIFFERENT AREAS OF APPLICATION

With our new range, we offer you a selection of high-quality adhesive tapes that have been developed for different areas of application. The products are designed in such a way that they requirements on the construction site - from smooth to textured surfaces, indoors and outdoors.
